

Discussion or Balanced Arguments

Title and an interesting opening paragraph which will briefly describe the issue you are going to discuss.

A paragraph FOR the argument, supported by evidence/examples.

A paragraph AGAINST the argument, supported by evidence/examples.

Conjunctions to link points e.g. therefore, in addition to this...

Conjunctions to help with moving on to an opposing point e.g. however, although...

End it with a conclusion paragraph to sum it all up.

REMEMBER to try and keep it a balanced argument and try not to say "I think...".
