

4b. Complete the missing functions by deciding whether these numbers have been divided by 10, 100 or 1,000.

PS

5b. Charlie says,

2.5 divided by 100 equals 0.025.

Jorelle says,

25 divided by 10 two times equals 0.025.

Who is correct? Explain why.

R

6b. Martin's school needs more glue sticks.

The Glue Shop is selling boxes of 100 glue sticks for £135.

Sticky Fingers is selling boxes of 1,000 glue sticks for £1,050.

Which shop is offering the best deal for the school?

PS
