

'Should mobile phones be banned' – a discussion text

Remember:

1. Keep it balanced – you are *not* trying to persuade.
2. Explain the points you are making.
3. Say what people think: '*Some people say...*' or '*Others may argue...*'

Introduction – what is the discussion about?

--

What are your three points 'for'?

What are your three points 'against'?

How will you conclude this discussion? How could you summarise your points? What might you recommend?
