

Days in the Month

Thirty days in September,
April, June and November;
February has twenty-eight
All the rest have thirty-one.

Except in a Leap Year,
that's the time
When February has twenty-nine.

Days in the Month

30 days in September,
April, June and November.

All the rest have 31,
but February is the only one,
With 28 days in most years,
except for 29 when it's leap year.
