

Joining to the Letter 'x'

Remember that 'x' is an unjoined letter so we never join from it, but we can join to it. Practise these diagonal and horizontal joins to the letter 'x':

ax

wx

ex

ox

Add the 'ex' letter pattern to the start of these words. Your 'e' can join on to your 'x', but remember that you don't join on from your 'x'.

Add either 'ox' or 'ax' to these words. Join carefully to your 'x' but don't join on from it. What words have you created?
