Dear Grandma,

I've had an amazing Christmas holiday...you never guess what I got up to 😊

Firstly, my Mum and Dad went grocery shopping and made sure that we had everything we needed for the holidays. I was so excited to see my cousins, aunts and uncles come over for Christmas Eve.

Christmas Eve was magical with lots of party games, food and drink. Dad tripped up and all the fairy lights switched off...that was hilarious! Mum overcooked the roast chicken, but we still ate it. I didn't go to bed at all that evening and couldn't wait for the clock to strike 12 and open my presents.

Santa gave me an Ipad for Christmas...It's amazing. You can do so many things on it...like watch movies, play games etc. My brother had a PS5 (Lucky him) he's been playing on it since he opened the present. It will keep him busy for a while...

It's a shame that we only have Christmas once a year...hopefully I can speak to you again.

Lots of Love,

Shannon
