

## Notes:

10<sup>th</sup> October

You never guess what just happened...So I was chilling on the bus on my way home from school. There was this flash of light and a trail of rainbow colours travelling through the sky. It looked well cool!

So, I know the Cotswold forests well as me and mates hang out there! I investigated the forest...it was really weird and odd...mist surrounded me everywhere. All of a sudden, as I peered through the skinny trees, I could see a crash landing of...(I thought it was a UFO! #CREEPYALERT!)

I couldn't believe it...
