Smile	Smile <b>for 2 seconds</b>
Sit	Sit

What is different about these commands?

More precise

# Simple Sequence

Start	Start
Stand	Stand
Wave	Wave <b>once</b>
Bow	Bow <b>once</b>
Jump	Jump <b>once</b>
Smile	Smile <b>for 2 seconds</b>
Sit	Sit

Can you write  
your own  
everyday  
sequence  
algorithm?

Can your  
neighbour act it  
out?

One mark if it makes sense  
One mark if each action is on a new line  
One mark if you are precise
