

Ough Words

Below are 21 words that include the ough letter string. Your task is to sort the words into the correct jar, depending on how the ough letter string sounds in each word. There should be at least one ough word in each jar. One jar has many more than the others. One has been done for you.

Ough Words

Fourteen of the ough words will fit as the last word of each line of this poem. Every two lines rhyme. Can you fill in the missing words?

Historic battles once were

With neither side giving too much

About the destruction of a town or

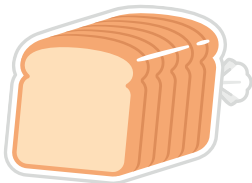

The carnage – it was very

On a shopping spree, a gold ring was

Their bank account was left with

Shop-bought bread is nice,

I'd rather bake with home-made

The farmer bought a brand-new

The leaves – they clung on to the

The horse drank water from the

Cold weather brings a sneeze and

The English language can be

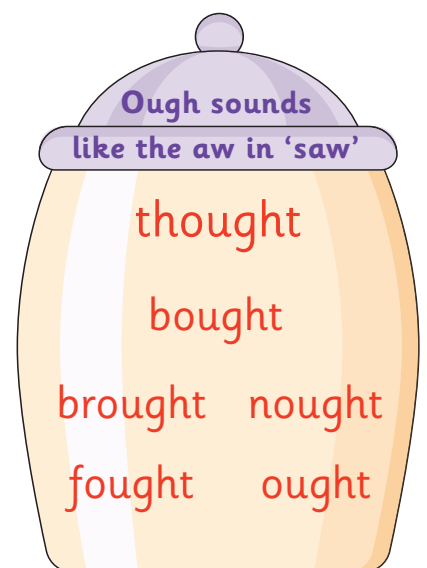

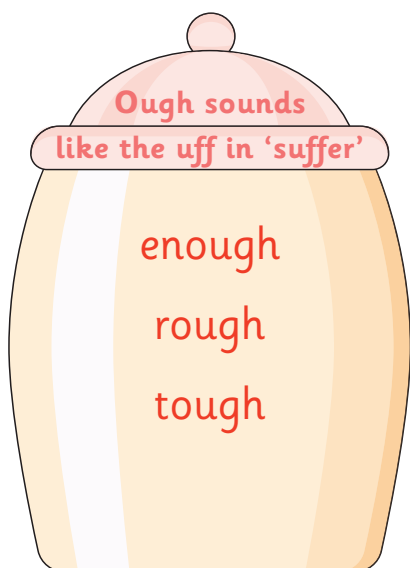

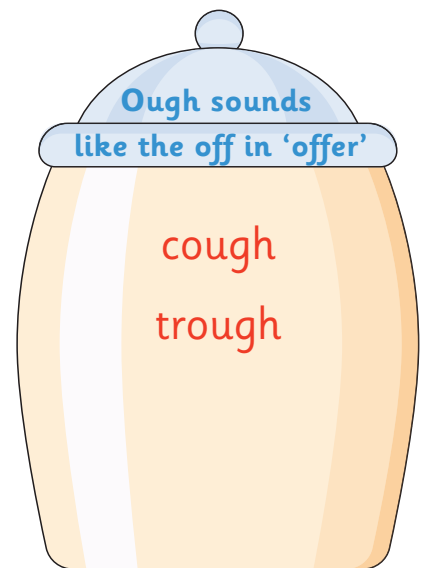

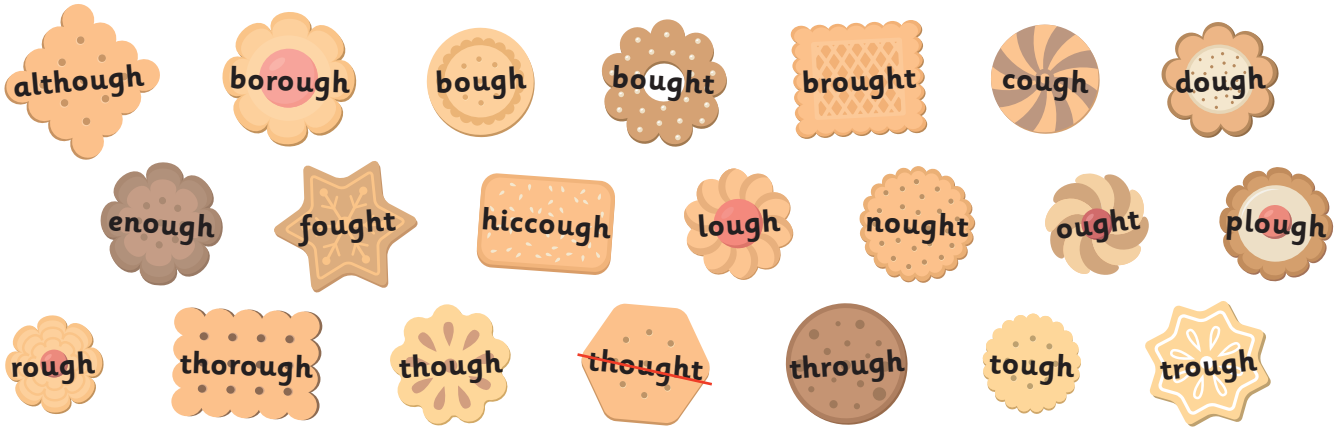

That's it. The end. I've had

Historic battles once were fought

With neither side giving too much thought

About the destruction of a town or borough

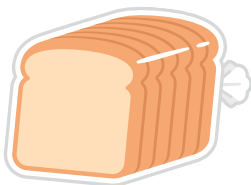

The carnage – it was very thorough

On a shopping spree, a gold ring was bought

Their bank account was left with nought

Shop-bought bread is nice, although

I'd rather bake with home-made dough

The farmer bought a brand-new plough

The leaves – they clung on to the bough

The horse drank water from the trough

Cold weather brings a sneeze and cough

The English language can be tough

That's it. The end. I've had enough !
