

Write your parable

Parable checklist:

- * Does it have a title?
- * Does it have characters?
- * Does it have a meaning/ moral?
- * Does the reader learn something from the story? E.g. why the moral is important.

Edit your parable

Check your spelling, grammar and that your writing makes sense.

Tell your parable to an adult at home or a sibling.

Is the message in your parable clear? Do they understand the importance of your chosen moral?

If not, perhaps you could change something or add something.
