

Reading:

We're focussing on looking carefully at the detail in texts this week.

To complete the reading tasks, log onto Century Tech (century.tech) and find the "My Path" tab. Under "Due Assignments" at the bottom right of the page you will see a reading task for each day, based on finding details. The tasks should be completed on the following days:

Monday: Identifying Details 2

Tuesday: Identifying Details 3

Wednesday: Identifying Details 4

Thursday: Identifying Details 5

Friday: Identifying Details 6

The screenshot shows the Century Tech home page interface. At the top, a navigation bar includes a "My Path" tab. Below this, a section titled "John's Recommended Path" displays five task cards. The first card, "6 Light Diagnostic", is highlighted with a callout box stating "This is the 'My Path' tab". The other cards are "Sources of Light", "Using Light to See", "Protecting Your Eyes", and "Diagnostic: Addition Subtractor". A second callout box points to the "Due Assignments" section at the bottom, which contains a table with columns for "Subject", "Material", "Nugget", and "Tomorrow". The table lists a task for "Science - Tuesday 24th March 2020". A third callout box points to the "Due Assignments" section, stating "This is the 'Due Assignments' box. Your daily reading tasks will appear here. Please do them one day at a time." The bottom of the page features the Century logo, a mood indicator "I am feeling happy" with a smiley face icon, and a user profile icon.

This is the Century Tech home page. You should see this when you log on.

CENTURY

I am feeling happy 😊

If you complete this task with time to spare – you should continue to read your own reading book
