

## Maths:

To complete the Maths tasks, log onto Century Tech (century.tech) and find the “My Path” tab. Under “Due Assignments” at the bottom right of the page you will see a Maths task for each day. The tasks should be completed on the following days:

**Monday:** Mixed Operations 1

**Tuesday:** Mixed Operations 2

**Wednesday:** Mixed Operations 3

**Thursday:** Position and Direction 1

**Friday:** Position and Direction 2

The screenshot shows the Century Tech home page interface. At the top, there is a navigation bar with a 'My Path' tab highlighted. Below this, a section titled 'John's Recommended Path' displays five task cards. The first card, '6 Light Diagnostic', is highlighted with a callout box stating 'This is the “My Path” tab'. The other cards are 'Sources of Light', 'Using Light to See', 'Protecting Your Eyes', and 'Diagnostic: Additi Subtractor'. A second callout box points to the 'My Path' tab, stating 'This is the Century Tech home page. You should see this when you log on.' Below the recommended path, there is a 'Due Assignments' section with a callout box stating 'This is the “Due Assignments” box. Your daily Maths tasks will appear here. Please do them one day at a time.' The interface also features a sidebar with various icons, a 'Did you know?' section, and a footer with the Century logo and a mood indicator.
