The video shows a girl who is starting secondary school. After you have watched the video, complete the following activity.

Is Secondary School the Same or Different to Primary School?

Please read the statements below. Circle the ones that you think are the same as your primary school in **red**. Circle the ones that you think are different from your primary school in **blue**.

You will be able to play with your friends at lunchtime.

You will be able to get to school by catching a bus without your parents/carers.

There will be different girls' and boys' toilets in the school.

You will be able to get to school by getting a lift in your parents/carers car.

School will start at 8.50am.

If you don't do your homework, you will be given a detention.

You will be able to get to school by walking.

Lessons will finish at 3.15pm.

If you are late for school, you may be asked to go to see a different teacher.

Your parents/carers will be informed if your behaviour is not acceptable.

You will be able to choose to stay after school and take part in a club.

You will have the opportunity to try new things.

You will not be allowed to run in school.

You will be able to choose what you would like to eat for your lunch.

You will need to try your hardest in class.

You might have arguments with other young people.

Your parents/carers will be invited to parents' evening to talk about how you are doing in school.

You will meet new friends.
