

Science

In Science, we're going to continue our topic on "Living Things and Their Habitats".

For this week, log onto Century Tech (century.tech) and find the "My Path" tab. Under "Due Assignments" at the bottom right of the page you will see a task. This will be to complete the assignment titled "Tues 7 July - Science – Light 1".

This is the Century Tech home page. You should see this when you log on.

This is the "My Path" tab

This is the "Due Assignments" box. Your Science task will appear here.

The screenshot shows the Century Tech home page for a user named John. The page features a dark background with a starry pattern. At the top, there is a navigation bar with icons for home, assignments, and profile. Below the navigation bar, the main content area is titled "John's Recommended Path". It contains five cards, each with a circular icon and a title: "6 Light Diagnostic" (Science), "Sources of Light" (Science), "Using Light to See" (Science), "Protecting Your Eyes" (Science), and "Diagnostic: Additi Subtractor" (Mathematics). The "6 Light Diagnostic" card has a red "START" button. Below the recommended path, there is a "Due Assignments" section with a table showing a task for Science due on Tuesday 24th March 2020. To the right of the due assignments is a "Did you know?" section with a question about electrons. At the bottom of the page, there is a "CENTURY" logo and a "I am feeling happy" button with a smiley face icon.

Subject	Material	Due
Science	Nugget	Tomorrow

Science - Tuesday 24th March 2020

Did you know?
Compared to a snail's pace, how quickly do electrons flow down a copper wire?

I am feeling happy 😊
