

## M.F.L.

This week we will be building on our lesson on 'Family', and working on 'Siblings'

Go to <https://www.french-games.net/frenchlessons?topic=Family%20-%20my%20siblings&level=primary>

The image shows a screenshot of the French Games website interface. At the top, there is a navigation bar with four steps: "1. Start", "2. Lessons", "3. Games", and "4. Tests". The "3. Games" step is currently selected. Below the navigation bar, there is a central green panel titled "SELECT AN OPTION". This panel contains several buttons and a central graphic of a person with arms raised. The buttons include "FULL TUTORIAL All activities" (with a family icon), "INTRODUCTION", and "No tutorial thanks GO TO THE GAMES". At the bottom left of the green panel is a yellow button with a person icon and the word "topics".

Callout boxes provide instructions:

- A box on the right says "Click on the tutorial button" with an arrow pointing to the "FULL TUTORIAL All activities" button.
- A box on the left says "Once you have completed the tutorial and you are confident with the vocabulary, have a go at a game, or even a test." with an arrow pointing to the "3. Games" step in the navigation bar.

Other interface elements include a "Cafe" button at the bottom left and a "Choose your tutorial from the options" button at the bottom right.
