

Beginning	Put your character in a tense situation. Where are they? What is the danger they are in? Who do they need to help?
Intrigue	What does your character think they see / hear? What effect does this have on them physically? mentally? Similes / metaphors.
Action	How close do they come to being caught / found? What action do they take? What is the result?
Resolve	What happens in the end? Do they escape? Do they get caught?
