

Reading:

We're focussing on inference this week.

To complete the reading tasks, log onto Century Tech (century.tech) and find the "My Path" tab. Under "Due Assignments" at the bottom right of the page you will see a reading task for each day, based on making inferences. The tasks should be completed on the following days:

Monday: Finding and Explaining Answers

Tuesday: Finding Dates

Wednesday: Ordering Events

Thursday: Diagnostic Predictions

Friday: Structure

The screenshot shows the Century Tech home page interface. At the top, there is a navigation bar with a "My Path" tab highlighted. Below this, the "John's Recommended Path" section displays five task cards: "6 Light Diagnostic" (Science), "Sources of Light" (Science), "Using Light to See" (Science), "Protecting Your Eyes" (Science), and "Diagnostic: Additi Subtractor" (Mathematics). A callout box points to the "My Path" tab, stating: "This is the 'My Path' tab". Another callout box points to the top of the page, stating: "This is the Century Tech home page. You should see this when you log on." Below the recommended path, the "Due Assignments" section is visible, showing a task for "Science - Tuesday 24th March 2020". A callout box points to this section, stating: "This is the 'Due Assignments' box. Your daily reading tasks will appear here. Please do them one day at a time." The bottom of the page features the Century logo and a mood indicator that says "I am feeling happy" with a smiley face icon.

If you complete this task with time to spare – you should continue to read your own reading book
