### Memories of Binfield

For PSHCE this afternoon, we would like you to write up your favourite / funniest / most unforgettable memory of being at Binfield Primary School.

That might be something from Kingswood, Braeside / Ufton Court or another trip, it might be something a teacher said or did, it might be a memory of a production, assembly or fete, it could just be something you fondly remember from a lesson, break time or lunchtime...

We need your memory to be at least five sentences, and it must include how you felt, how people reacted and exactly what happened. If you intend to use anybody's name, then please ask them first. If it's a member of staff, we will OK it with them.

Please begin your paragraph with one of the following sentence starters and remember – this is a chance to show off what a different person you are now, compared to when you started school. Use impressive language and vocabulary, higher-level punctuation and good sentence structure...

- My favourite memory of Binfield Primary school is...
- The memory I will never forget is...
- A time I know I will never forget...
- Something I know I will remember forever...
- The fondest memory of my time at Binfield...
- When I look back at my time at Binfield School...
- My funniest Binfield memory is...
- Of all my time at Binfield, the memory I will always remember...

Have fun reminiscing... ☺
