

What Makes a Good Friend?

What are the qualities you look for in a good friend? Think about all the things you like about your friends, especially your best friends. The things you like in someone are their positive qualities. It could be the way they behave or the way they make you feel.

E.g. They make you laugh, they listen to you, and they know how to cheer you up when you are sad.

Write or draw what a good friend looks like and does for you on the person below.
