1

**Q2** Read the sentence in the speech bubble and answer the question below in English.

J'ai dix ans.

Juliette

How old is Juliette?

.....

.....

### Now Try These

- Copy out these sums and write your answers in French.  
six + trois = ?   huit - un = ?   deux + quatre = ?   dix - neuf = ?
- Try writing some of your own sums using the French numbers.  
You can use  $\times$  and  $\div$  if you want.
